As a full scope gynecologic provider, Kindbody's board certified Ob/Gyns are trained to address women throughout their reproductive health needs, including menopause. Our menopause support includes preventative health and hormone replacement therapy, as well as diet and lifestyle modifications to address menopausal symptoms. Kindbody additionally provides access to nutritionists, therapists, and coaches specialized in menopausal issues.

These services are available both in our Signature Clinics as well as virtually by a licensed provider in each state.
